

Subject: Policy and Standards - Polish translation

Message: Good afternoon, All,

Thank you for your patience as we had the diocesan Policy Regarding the Sexual Abuse of Minors and Vulnerable Adults and Standards of Behavior for Those Working with Minors and Vulnerable Adults translated into Polish. You can now find both of these documents in English, Spanish, and Polish on OCYP's website under the "Resources" tab: <https://protect.diojoliet.org/resources>

Thank you all for the continued work you do as local administrators and in your other ministries! As always, please contact us with any questions at: SafeEnvironment@dioceseofjoliet.org.

Peace, Leah Heffernan
Director, Office of Child and Youth Protection
